TODAY'S LESSON

NOTE: Our goal will be to cover this lesson in one meeting, but depending on the amount of discussion, it may take two.

Read Revelation 15:1-8.

Who are those standing beside the sea?

What are they doing?

What should we take away from this?

What is the Song of Moses (check out Exodus 15:1-8 and Deuteronomy 32:1-43)?

What is the Song of the Lamb?

What similarities or parallels do you see in these songs?

Why would the Victorious Saints be singing? What does this mean for us?

What's coming?

What about the glory of God? Does this sound familiar? (check out Exodus 40:33-35, 1 Kings 8:6-11, Isaiah 6:1-4)

What would you say the theme of verse 5-8 is?

Look up the word “plague” in an Interlinear Bible (<https://www.biblestudytools.com/interlinear-bible/>). What is the thrust of it?

Read Revelation 16:1-21.

Complete this table.

Bowl Judgments		
Bowl	Implement of Judgment	Effect of Judgment
1		
2		
3		
4		
5		
6		
7		

--	--	--

What do you notice about the people's response to the bowl judgments?

What do you learn from the reference to the Euphrates River and the kings of the east?

What about the reference to Babylon in verse 19? How should this be understood?

What is happening to "Babylon"?

We have heard about the Battle of Armageddon. Does it actually happen at this point?

Thinking back over Revelation to this point, compare what you have learned and felt with Psalm 73. Write your thoughts.

Read Revelation 17:1-18.

What do the following represent:

- Great prostitute?
- Many waters?
- Scarlet beast
- Seven heads?
- Seven mountains?

What is the overall message of chapter 17?

Read Revelation 18:1-24.

Summarize what is happening in this chapter.

Why is it happening?

How should this affect us?
